

Community Charter School of Paterson

Date:

Dear Parent/Guardian:

New Jersey State Law does not allow school nurses to dispense medications. This includes over the counter medication, such as Tylenol and cough medicine. If your child must take medications, during school hours, the following procedure must be followed:

1. Written orders are to be provided to the school from the private physician, detailing the diagnosis or the type of illness involved and the name of the drug, dosage and time administered.
2. The medication must be brought to school by the parent or guardian in its original container, appropriately labeled by the pharmacy.

This form is valid for one school year.
Thank you for your cooperation.

Sincerely,
Linda Dewar, R.N., C.S.N.
School Nurse

Physician must complete this form

Student's Name: _____ DOB: _____ Grade: _____

Diagnosis: _____

Medication: _____ Dosage: _____
