Three (3) inclement weather days have been built into the calendar. If more than three (3) inclement weather days occur, the fourth day will be made up on Monday, June 22nd. Should additional days be needed, those days will be taken from the spring recess. The fifth day would be Friday, April 3rd, the sixth day would be Thursday, April 9th, and continuing through the week as necessary. Should emergency closing days not be used, these may be taken off of the end of the school year or used to extend the Memorial Day weekend. Please plan accordingly. If no emergency closing days are used, the school year may end earlier than scheduled.
